

This wonderful old promise

This wonderful old promise,
How constant is its power!
It sweetens all our sorrows
And brightens each dark hour.
God kept it through the ages
He keeps it firm today -
Though many men are striving
To sweep our folk away.
Fierce foes have fought against us
In every age and land,
But the Holy One of Israel
Has saved us from their hand.

V'hi She'amdah

From The Children's Haggadah RKP 1963
